Forecast for Sunday 17 Jan 2021

Weather: A mix of showers of clear, then bright or sunny spells for Sunday. Showers will be quite isolated through the day, turning wintry across highest summits at times. Also with plenty of higher cloud around the sunshine will frequently be restricted to brighter spells.

Chance of cloud free mountain/hill tops above 600m: 80% with bases generally above the summits, sporadically lowering 500m, particularly as the isolated showers push through.

Visibility: Good or very good, falling to a handful of kilometres in showers.
